AN ACT To provide for the compiling and publishing of the Official Register of the United States

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the United States Civil Service Commission shall cause to be compiled, edited, indexed, and published each year an Official Register of the United States, which shall contain a full and complete list of all persons occupying administrative and supervisory positions in the legislative, executive, and judicial branches of the Government, including the District of Columbia, in connection with which salaries are paid from the Treasury of the United States.
